## BARGAINING HIGHLIGHTS

### 2008-09 ACE-CJUSD SERP Negotiations

Your ACE team met with the District team prepared to settle savings realized by the 2008-2009 SERP. The agreement reads as follows:

The Association of Colton Educators and the Colton Joint Unified School District have completed their negotiations for the 2008-2009 Supplemental Early Retirement Program. Both parties agree to the following:

1. Negotiations for the 2008-2009 SERP are concluded.
2. Significant savings were realized because the SERP was offered to Certificated non-management employees.
3. ACE is not pursuing monetary compensation or benefits compensation for the money saved as a result of Certificated employees accepting the 2008-2009 SERP.

In discussion, the District acknowledged that ACE saved the District, at least, an estimated \$4.2 million dollars.

**ACE has done their part to help the District
