Sept 22, 2010

Your ACE Bargaining Team met with the District representatives on September 22, 2010 to negotiate the ACE Agreement for 2009-2010.

## BARGAINING HIGHLIGHTS

### 2009-10 ACE-CJUSD Contract Negotiations

Today the bargaining units met and ACE responded to articles 7, 9, & 12.

The District tried to negotiate the 2011-12 and 2012-13 school years by presenting proposals for ACE concessions even though settlement has not been reached on the 09-10 school year. These District proposals do not follow the sunshine protocols for negotiations.

We responded to Article 7. The Association is looking for some consistency in pay schedules should there be shifts in work calendars in future years. ACE and the District continue to discuss pay and benefit data included in the article.

The Association continued discussions on Article 9 caseloads and class sizes in an attempt to clarify our position.

The bargaining units reached tentative agreement by agreeing to maintain status quo on transfer language for Article 12.

The District will respond to Article 7, 9, & 10 at the next meeting. ACE will respond to Articles 13 and 19.
